[HOME](#)[EVENTS](#)[CONTACT](#)[LOCAL SERVICES](#)[ABOUT US](#)

The Radford Park Residents Association is a voluntary group of residents who meet regularly throughout the year to discuss issues that affect us.

It gives residents the chance to get actively involved in the long-term management of the estate.

It provides residents with an effective way to make their views known to the developers, local authorities and management agents.

## Our Aims and Priorities

- Build a sense of community with residents, engaging with one another through regular social events whilst looking out for one another on a day to day basis.
- Work closely with the key stakeholders for the local area to ensure resident's views are represented and stakeholders are held accountable for their responsibilities: - Trinity, Bellway, Bloor, Family Mosaic, Basildon Borough Council and Essex County Council.
- Act as representatives in relation to any ad hoc local issues for residents.
- Focus on the parking issue on the estate aiming to get an acceptable solution in place for all parties.
- Ensure that the land reserved for a community facility is developed in line with resident's wants and needs for the area.
- Engaging and working with the wider community and groups for the benefit of the residents.
